This video shows thousands of people in only 6 minutes. It's amazing to think and see what can happen in 6 minutes. The video demonstrates that our every decision can and does make a difference in those around us. If we make it important, our decision to be Godly can become habitual in our every move - and that fires up those around us, and mostly, Glorifies God.

The eyes of the Lord search the whole earth in order to strengthen those whose hearts are fully committed to him. (2 Chronicles 16:9).

The video reminds us that we're always in the spotlight somehow, someday, and that we need to be strong. God is always looking for people who are dedicated to Him so He can give them strength. Why do we need strength? To combat the enemy - *the devil*.

He prowls around like a roaring lion, looking for someone to devour. (1 Peter 5:8).

Satan roams the earth too with his army of supporters and he is hungry and waiting for us to show any sign of weakness and temptation so he can tear us to pieces and jack up everything in our life.

Therefore, since we are surrounded by such a huge crowd of witnesses to the life of faith, let us strip off every weight that slows us down, especially the sin that so easily trips us up. And let us run with endurance the race God has set before us. We do this by keeping our eyes on Jesus, the champion who initiates and perfects our faith. (Hebrews 12:1-12).

The 'witnesses' mentioned in this verse refer to all the heroes of the faith, not a race, who live their lives committed to God. People, like you and I, seen in this video – serving God.

If you're not already, become a Hero of Faith today and acknowledge that you're in the spotlight – so make it count.
