Hello, my name is Bryan Jackson. My wife of 38 years, Tina, and I are the Founders of Vertical Adrenaline Motocross Ministries, "VAMM" a 501(c)(3) non-profit. I am a Multi-World Record Holder by both OWR and Guinness, and a Former Multi-Time World & USA Motocross and Arenacross Champion. I am currently 58 years old, live in Eastland Texas, and am a passionate and diverse non-denominational Pastor and licensed FCA Chaplin. I travel the country using motorcycle racing and stunt shows as a platform to captivate and inspire people to pursue Jesus Christ. I perform my dynamic stunt shows in front of over 100,000 people a year that include public schools, churches, parades, arenas, and stadiums. My performances, travels, and accolades have been covered in 2 documentary movies, "Ultimate Adrenaline" and "Adrenaline with The Preacherman". Ultimate Adrenaline has been seen by over 20,000 people and continues to grow closer to our goal of 50,000 impressions. I have been featured on multiple TV broadcasts, national trade magazines, newspapers, radio, and digital media companies within the last 2 years. It is always with my greatest passion to grow and showcase my sponsors as I travel around fulfilling the call to change culture.
