**WORLD RECORD HOLDER**  
Multi-Time WORLD & USA Champion

Hello, my name is Bryan Jackson - AKA **#ThePreacherman**.

My wife Tina and I are the Founders of Vertical Adrenaline Motocross Ministries, a 501(c)(3) non-profit. I am a Multi-World Record Holder by both OWR and Guinness, and a Former Multi-Time World & USA Motocross Champion. We live in Eastland Texas and travel the country together doing re-enactments from my (5) World Records, along with an incredible story of 100 Years on Motorcycles in our family. Our show is very unique using rarely seen patriotic wheelie and fire performances with one-of-a-kind stunts units. Another rare and uniqueness to our shows is that we share our Gospel based testimony throughout the show on how being **Christ Centered** has provided the platform for these incredible accolades. We have spent over \$100,000 on our show that includes an LED wall and many beautiful special effects. The night show is naturally most epic and is generally the longer of our show offerings, being 20 to 90 minutes. The entirety of every show is non-stop with high impact music video storylines and matching effects.

Bryan is a non-denominational Pastor and licensed FCA Chaplain that travels the country doing shows as a platform to captivate and inspire people to pursue **Jesus Christ**. He has performed in front of over 100,000 people in the last few years that have included public schools, churches, parades, arenas, and stadiums. His performances and travels have been covered on ABC, NBC, MAV TV, Fox News as well as in 2 documentary movies, "Ultimate Adrenaline" and "Adrenaline with The Preacherman". In 2019 Bryan became the first person to ever wheelie the Hoover Dam, granted by the Department of Interior and featured in the video movie titled, "Ride in our Blood".

### PURPOSE

- Use world class talent to entertain with purpose.
- Encouraging people to come to know Christ.
- Use innovative ways of drawing people to Church.
- Energize existing believers with their FAITH.
- Provide newfound confidence in how God empowers.
- Foster being the best you can be.
- Use dynamic passion to change culture.
