Story of Joni

## Got Ya! God Is Not a "Got Ya!" God

Story of Ethan

**"Commit your work to the Lord, and then your plans will succeed." Proverbs 16:3 (NLT)**

God is for your success in life; he created you for a purpose and he wants you to succeed. It is God, your Creator, who will measure your success in life, and no one else.

Knowing God is **for you** will change your whole perspective on life. You'll stop thinking of God as someone looking down from Heaven, ready to yell "Got ya!" anytime you mess up.

It means you don't need to be afraid of God, because God is for you. Yet some people are so afraid of God that they get nervous just talking about him. Do you know why? They feel guilty, and then they start thinking, "If I get close to God, he's going to lecture me. He's going to remind me of all the things I've done wrong, and then I'll feel even worse!"

Nothing could be further from the truth of God. Jesus said, "I did not come into the world to condemn it, but to save it". In effect, Jesus is saying, "I didn't come to scold you; I came to save you."

**If God is for us, who can be against us? Romans 8:31**

This is extremely good news! You don't have to worry about stuff like you have in the past. **What are some of the things you worry about?**

**Psalm 91:9-11**

**If you say, "The LORD is my refuge," and you make the Most High your dwelling, no harm will overtake you, no disaster will come near your tent. For he will command his angels concerning you to guard you in all your ways.**

We have angels with us at all times. That what God is telling us in those verses. The president has secret service to protect him at all times. Just hovering over his every move to ensure his safety. Its kind of like God assigning us secret agents to protect and defend us at all times. Many times we are not even aware that angels are appearing in our lives doing things that we never saw coming.

Nay sayers.....

Well I had a friend shoot himself. Well I had trouble at school and got expelled. Well my mom is sick and is going to die. Well, well well, I just have so many problems. Start right now changing the way you think, the way you talk, the way you live. Believe and start talking of faith. Start becoming closer to God. Come closer to God and he'll come closer to you. Start relying on the work of those Angels and give the praise and Glory to God. God is in control and his Angels are there. Let's be encouraged and keep them angels out of the easy chair because when we walk with little or no faith that exactly where they are. We all fall short but we no longer have to live in separation from God, so claim all his favor – including the angels and live an abundant filled life not worried that God is going to yell at ya and say, Got ya. Stay in peace and give the Glory to God.
