## **MX is all about RISK -God requires risky obedience too!**

ON the track we risk and get to see some incredible things right?  
When we act in faith, to serve God, so much is revealed it's unbelievable.

*And [said Jesus,] I tell you that to everyone who gets, and has, will be given more, but from the man who does not get, and does not have, even what he has will be taken away. (Luke 19:26 AMP)*

*"He replied, 'I tell you that to everyone who has, more will be given, but as for the one who has nothing, even what they have will be taken away. (Luke 19:26 NIV)*

*"Risk your life and get more than you ever dreamed of." (Luke 19:26 MSG)*

If God tells you to take a step of faith but you hesitate to take it until he shows you what the second step will be, you're not waiting on God. He's waiting on you.

Regardless of what we see on the other side of a God-directed risk, the reality is God is there. What seems to be a no-guarantee situation actually comes with the greatest guarantee of all — a God-guarantee — that he's working in your life.

**With this guarantee from God**, you can enter into the risky obedience of **attempting things that are impossible unless God gives you His strength to do them.**

**With this guarantee from God**, you can enter into the risky obedience of **loving others so deeply and so richly that you prove to the world that God's love is flowing through you.**

**With this guarantee from God**, you can enter into the risky obedience of **changing your priorities to match God's priorities.** Lets see....MX and then God, partying and then God, everything and then God.....**NO!**

**With this guarantee from God**, **WE** can enter into the risky obedience of **making disciples for Christ even at motocross races and learn that the risky obedience of following Jesus comes with a God-guarantee that will ROCK YOUR WORLD**
